

Knowledge market programme of the 3rd Natura 2000 seminar for the Mediterranean biogeographical region

6th of May 2021

Online

Introduction

The biogeographical seminar for the Mediterranean Region is held online on 4 to 7 May. It is hosted by the Italian Regione Calabria & Sila National Park. This document contains the hyperlinks to access the Knowledge Market, which is organised on Thursday 6th of May from 10:45- 12:30 hrs. During the Knowledge Market various attendees will present their work or projects.

Each session is divided into two sessions, of 45 minutes and 60 minutes. You can join a session that you prefer. After the first session is finished, you can switch to another sessions of your preference, not necessarily the same one.

Thursday 6 May 2021

Plenary session (Chair: Sophie Ouzet, DG ENV)		
Time	Session, topics and speakers	Chair/Speaker
	Click here to join the meeting	
10:45- 10:55	The LIFE projects in the Mediterranean biogeographical region	Chiara Spotorno, NEEMO
10:55 – 11:00	Introduction on the organization of the knowledge market	Rui Rufino
11:00- 13:00	<p>Knowledge market: parallel sessions organised around the themes of the seminar.</p> <p>Before the session starts a detailed list of the speakers and projects they offer to present and discuss during the knowledge market will be distributed.</p>	

	<p>Table 1: Restoration agenda Chair: Frank Vassen F/TA: Theo v/d Sluis</p>	<p>Click here to join</p>
<p>Round 1 (11:00- 11:45)</p>	<p>THEME 1 - Defining and coordinating a Natura 2000 restoration agenda for the Mediterranean region</p> <p>Presentations:</p> <ol style="list-style-type: none"> LIFE BACCATA - Conservation and restoration of mediterranean <i>Taxus baccata</i> woods (9580*) in the Cantabrian Mountains (Northern Spain) - Javier Ferreiro, IBADER – Universidade de Santiago de Compostela LIFE Paludicola – Mediterranean wetlands restoration which favors the migration of the Aquatic Warbler (<i>Acrocephaluspaludicola</i>) in the Iberian Peninsula - Eugenio de las Heras Martín, Fundación Global Nature LIFE CAÑADAS - Restoration of drove roads to enhance biodiversity and connectivity of Natura 2000 sites in Spain - José A. González, Ecology Department. Universidad Autónoma de Madrid LIFE PRIMED - Restoration, management and valorization of priority habitats of Mediterranean coastal areas - Vito Emanuele Cambria, Project Manager 	
<p>Round 2 (12:00-13:00)</p>	<p>THEME 1 - Defining and coordinating a Natura 2000 restoration agenda for the Mediterranean region (cont.)</p> <p>Presentations:</p> <ol style="list-style-type: none"> LIFE GRECAT - Greek Caves and Bats: Management Actions and Change of Attitude - Dr. Georgios Papamichail, ATEPE Ecosystem Management Ltd LIFE CalMarSi - Restoring and improving biodiversity in coastal habitats: reintroduction of <i>Calendula maritima</i> Guss. (Sicily, Italy) - Giuseppe Garfi, CNR – Institute of Biosciences and BioResources, Palermo ROC-POP Life - Promoting biodiversity enhancement by Restoration Of <i>Cystoseira</i> Populations - Saul Ciriaco, WWF Area Marina Protetta di Miramare LIFE Ilhas Barreira - Conserving the Barrier Islands in Algarve (south Portugal) to protect priority species and habitats - Joana Andrade (project coordinator), SPEA / BirdLife partner 	

	Table 2: Conservation objectives Chair: Chiara Spotorno F/TA: Irene Bouwma	Click here to join
Round 1 (11:00- 11:45)	<p>Theme 2 - Defining conservation objectives and monitoring the impact of the measures</p> <p>Presentations:</p> <ol style="list-style-type: none"> LIFE RedBosques - Identification and protection of old growth forests in the Mediterranean Region - José Antonio Atauri, FUNGOBE / EUROPARC-Spain LIFE Steppe Farming -SUSTAINABLE FARMING IN SPAs OF CASTILLA-LA MANCHA FOR STEPPE BIRDS CONSERVATION - Ernesto Aguirre, Fundación Global Nature LIFE OREKA MENDIAN - Conservation and management of Grassland Habitats in the Basque Country - Javier Pérez, HAZI Foundation LIFE in Common Land - Conservation and Rural Development in the Uplands of NW Spain - Ramón Alberto Díaz Varela, University of Santiago de Compostela 	
Round 2 (12:00-13:00)	<p>Theme 2 - Defining conservation objectives and monitoring the impact of the measures (cont.)</p>	
	<p>Presentations:</p> <ol style="list-style-type: none"> Corsican Nuthatch - A better taking account of the Corsican nuthatch in forest management- Sandra Guy, Office National des Forêts (France) LIFE Lagoon Refresh - Coastal lagoon habitat (1150*) and species recovery in Venice Lagoon by increasing the fresh water input and restoring the salt gradient - Dr Rossella Boscolo Brusà, ISPRA - Institute for Environmental Protection and Research LIFE FALKON - Fostering climate-change resilience in the northern populations of Lesser Kestrel - Michelangelo Morganti, CNR-IRSA National Research Council of Italy – Water Research Institute The Leisler's bat in Corsica : Current state of knowledge and prospects - Kate Derrick, Groupe Chiroptères Corse (Corsican Bat Group) <p>Video - Ciclovia of the parks in Calabria: a example of sustainable tourism in areas of naturalistic interest - Dott. Giovanni Aramini Dr. Maria Prigoliti, Regione Calabria</p>	

	Table 3: Capacity building Chair: Sophie Ouzet F/TA: Rogier Pouwels	Click here to join
Round 1 (11:00- 11:45)	<p>Theme 4 - Building capacity for Natura 2000 management: How to develop and build capacity for Natura 2000 management, targeting in particular site managers and landowners</p> <p>Presentations:</p> <ol style="list-style-type: none"> LIFE ARCPROM - Improving human-bear coexistence in 4 National Parks of South Europe - Spyros PSAROUDAS, LIFE ARCPROM Project Manager Amphibian conservation and habitat restoration: example of replicability of a LIFE project for halting the decline of the Apennine yellow-bellied toad in a Natura2000 site in southern Italy - Dr. Ilaria Bernabò, Regione Calabria IMPLEMENTATION OF A HABITAT AND SPECIES MONITORING PROJECT IN THE CALABRIA REGION - Dr.Maria Prigoliti, Regione Calabria LIFE Forestlife - Information and governance tools for forest conservation and restoration in Natura 2000 sites in Greece - Petros Kakouros, Forester PhD, project coordinator, Greek Biotope/Wetland Centre 	
Round 2 (12:00-13:00)	<p>Free Topics 1</p> <p>Presentations:</p> <ol style="list-style-type: none"> LIFE Oso Courel - Living in Natura 2000 and living with bears in two small and endangered subpopulations - Carolina Rueda, Fundación Oso Pardo (FOP) Dinara back to LIFE - Management planning and restoration of Dinara dry grasslands to save biodiversity and support sustainable development - Tomislav Hudina, project leader / Zdravko Budimir, project coordinator LIFE Net pro Net - Network of volunteers for IBA and Natura 2000 monitoring, network of volunteers for IBA and Natura 2000 monitoring - Giovanni Soldato, Lipu – BirdLife Italy The LIFE SAFE-CROSSING project – actions to reduce the impact of linear infrastructures on protected species - Annette Mertens, Agristudio S.r.l. 	

	Table 4: Free Topics Chair: to be decided F/TA: Carlos Sunyer	Click here to join
Round 1 (11:00- 11:45)	Free Topics 2 Presentations: 1. Life WolFLux - Decreasing socio-ecological barriers to connectivity for wolves south of the Douro river - Pedro Prata, Rewilding Portugal 2. LIFE Brenta 2030 - integrated efforts for the conservation of the strongly modified Brenta river in northeast Italy - Simone Iacopino, Università degli Studi di Padova 3. LIFE-Salinas - Conservation actions in salt marshes and recovery of coastal dunes Project (Murcia-Spain) - Gustavo Ballesteros Pelegrín, Salinera Española 4. LIFE Project LIFE LANNER* - Urgent conservation actions for Lanner* falcon (<i>Falco biarmicus feldeggii</i>) - Stefano Picchi, project manager, Vico Lake Nature Reserve	
Round 2 (12:00-13:00)	Presentations: 5. LIFE VISON, presentation and first outcomes - Ingrid Marchand, LPO France 6. LIFE 4 POLLINATORS - Involving people to protect wild bees and other pollinators in the Mediterranean - Giovanna Dante 7. LIFE SEPOSSO - Good governance and best practices for an effective and sustainable restoration of <i>Posidonia oceanica</i> meadows: a lesson from the project - Barbara La Porta and Tiziano Bacci, ISPRA "Istituto Superiore per la Protezione e la Ricerca Ambientale" (Italy)
