

Knowledge market programme of the 3rdNatura 2000 seminar for the Mediterranean biogeographical region

6th of May 2021

Online

Introduction

The biogeographical seminar for the Mediterranean Region is held online on 4 to 7May. It is hosted by the Italian Regione Calabria &Sila National Park. This document contains the hyperlinks to access the Knowledge Market, which is organised on Thursday 6th of Mayfrom 10:45-12:30 hrs. During the Knowledge Market various attendees will present their work or projects.

Each session is divided into two sessions, of 45 minutes and 60 minutes. You can join a session that you prefer. After the first session is finished, you can switch to another sessions of your preference, not necessarily the same one.
